

Level 2 Health and Safety

Highfield has drawn upon the knowledge and expertise of its health and safety subject matter experts to create an e-learning course that is ideal for those learners wishing to achieve a Level 2 health and safety qualification. This course is available online through the Highfield Learning Management System and gives managers the ability to monitor, manage and record training activity.

What does it cover?

The nine easy-to-manage training modules included in this course cover the key syllabus of Level 2 Health and Safety qualifications. These modules include:

- Accidents including, slips, trips & falls
- Legal responsibilities
- Risk assessment
- Workplace health, safety & welfare
- Work equipment
- Fire
- First aid
- Manual handling
- Hazardous substances (COSHH)

What will learners achieve?

Their knowledge will be tested by 45 multiple-choice questions, spread across the nine modules. In addition to this, learners will also receive a health and safety encyclopaedia, help pages, and a comprehensive health and safety glossary. Subject to the satisfactory completion of this course, learners are given access to an electronic Highfield quality endorsed certificate of completion (in PDF format), which they are able to print and display.

What next?

If you'd like to provide your learners with this e-learning package, simply contact us directly on 0845 226 0350/01302 363 277 or email us at sales@highfield.co.uk. Alternatively, for further information on our e-learning courses, please visit www.highfieldelearning.com.
