Level 2 Personal Licence Holders (PLH)

Highfield has drawn upon the knowledge and expertise of its licensing subject matter expert to create an e-learning course that is ideal for those learners wishing to achieve a Level 2 personal licence holder certificate. This course is available online through the Highfield Learning Management System and gives managers the ability to monitor, manage and record training activity.

What does it cover?

This e-learning package covers all aspects of the Level 2 award syllabus and is divided into seven easy-to-manage modules, which include:

- Licensing law
- Personal licences
- Premises licences
- The protection of children
- Powers and enforcement
- Temporary events
- Responsible alcohol retailing

What will learners achieve?

Their knowledge will be tested by a total of 84 multiple-choice questions across the seven modules, and they will have access to a comprehensive glossary of licensing terminology. Scottish Certificate for Personal Licence Holders e-learning is also available from Highfield.
