

Highfield E-Learning

COVID-19 Secure for Hospitality Short Course

Fact Sheet

**Improve the safety of your staff returning to work in hospitality
with our COVID-19 secure e-learning course
Protect your staff, your company and your customers**

Returning to work and continuing our way of life is a growing concern among people many in these difficult times. Give them the confidence that they are protected.

This course covers all elements provided in the [COVID-19 Secure for Offices](#) course plus the following content.

Working with customers

Ensure your staff know best practices and are mindful of their working environment

Handling goods

Help your staff understand the importance of regularly cleaning touch points

Handling money

Encourage contactless forms of payment and know what to do when handling money is unavoidable

POS

Ensure your point of sale areas aren't contaminated and avoid them becoming a regular touch point

Managing queues

Learn how to effectively manage queues inside and outside your premises while maintaining social distancing

The perfect course for anyone working in a hospitality environment

These training courses are ideal for businesses to issue to employees to complete either before returning to work or once they are back at work and will give your customers peace of mind that you are creating the safest possible environment. We also offer an [Infection Prevention and Control short course](#) to enhance your knowledge further on how to prevent the spread of infection
